

BUYERS ACKNOWLEDGEMENT

I/We acknowledge receipt of the following documents in the order as appears below:

1. Disclosure Statement signed by the Seller;
2. Contract.

When these documents were received by me/us, a warning statement advising that the contract may be subject to a cooling off period was present on the same page that the buyer/s signs the contract and immediately above the place for the buyer/s to sign.

I/We acknowledge that I/we read and signed the Disclosure Statement prior to signing the Contract.

I/We acknowledge, prior to entering into the Contract, that I/we received the Disclosure Statement signed by the Seller (or an agent of the Seller as the case may be) as a separate document to the Contract.

I/We consent to documents being sent, received and signed electronically by both email and fax.
